

COMPANIES TO WATCH

Lawrence & Geysler Development

This Tempe-based company is behind the renovation of the NEC of Seventh Ave. and McDowell in one of Phoenix's historic neighborhoods. The majority of Lawrence & Geysler projects are in the Metro Phoenix area, although it has developed sites around the state of Arizona, California and Oklahoma. It has developed and re-developed more than 1.2 MSF in more than 40 properties.

McCarthy Building Companies

McCarthy is more than a leading general contractor in healthcare and K-12 school projects. It recently celebrated the opening of Casino Del Sol's 250,000 SF casino expansion and 215-room, 10-story hotel tower in Tucson. McCarthy's Southwest Division recently completed its largest project to date, a 17-megawatt solar photovoltaic plant in Gila Bend.
