PLAZA COMPANIES ANNOUNCES NEW TENANT AT NORTH VALLEY MEDICAL PLAZA

FOR IMMEDIATE RELEASE:

July 7, 2009 (Peoria, AZ) Plaza Companies announces Touchstone Behavior Health has leased 20,061 square feet at North Valley Professional Plaza located at 15648 N. 35th Avenue, Phoenix, AZ 85035. The value of this transaction is in excess of \$1.6 million dollars. Accredited by the Joint Commission on Accreditation of HealthCare Organizations (JCAHO), Touchstone offers innovative family centered behavioral treatment utilizing the least intrusive intervention appropriate. Touchstone Behavioral Health has earned the JCAHO Gold Seal of Approval, a further reflection earned by their staff of professional counselors, psychiatrists and therapists.

"Plaza Companies is delighted with the commitment Touchstone Behavioral Health has made to lease 100 percent of the building," according to Sharon Harper, President and CEO of Plaza Companies. The tenant improvement construction is presently underway and DP&W Architects (Deardorff, Pang and Weymiller) has served as the space planning architect and CR Commercial Contractors, Inc. will be the general contractor. Plaza Companies handled the brokerage for the owner and Susan Dunst of Charles Dunn Company represented the tenant.

North Valley Professional Plaza strategically located to serve a large region of Maricopa County which is ideal for the Touchstone client base. The landscaped garden offices centered around an inviting courtyard will create a distinctive advantage to both the employees and the patients who will visit this medical office environment.
